THE 1943

Lips and Cranks

Ed Mur

THE CHAMBERS BUILDING

DAVIDSON COLLEGE, DAVIDSON, N. C.

TOR-IN-CHIEF; *F. W. Hobbie*, BUSINESS MANAGER

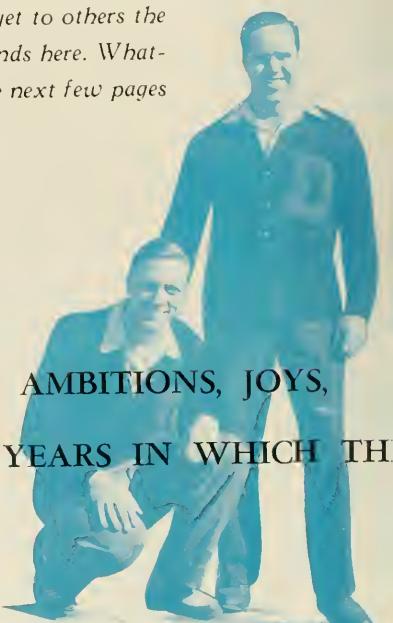

# *Memories*

## *of DAVIDSON*

FOUR years have come to an end and the Class of '43 has reached the parting from the things that are Davidson. However, this year the Senior Class is not alone in its distinction, for all during the year the sons of Davidson have been pouring out into the services of the Army, the Navy, the Marines, and the Coast Guard. Each one of us feels that he is leaving with a memory of pleasant years at Davidson—years that have meant much to each one of us. There are many things from these years that we hold close to the creases of our memories—many little things, many important things. However, it is extremely difficult to put one's finger on any one thing that we hold above any other here at Davidson. To many the most important thing is friendship with classmates; to many it is the classes; and yet to others the foremost memory is the spiritual strength that one finds here. Whatever it is that each holds dear we hope to recall in the next few pages of four years at Davidson . . .

**FOUR YEARS . . .**

**YEARS FILLED WITH ACTIVITIES, AMBITIONS, JOYS,  
AND TROUBLES . . . YEARS IN WHICH THE**

*Our Campus*

BECAME HOME

AS

*freshmen*

THERE is no feeling to compare with the lost and bewildered feeling that we possessed that first day on the Davidson campus as new and very young freshmen. Fresh from the halls of High Schools and Prep Schools we tried so hard to appear to be at ease while in reality there was that sinking feeling of being without a friend. Orientation with its long talks, its countless tests and its facts of Campus Life made us feel somewhat better but the voice saying, "Look to your right and to your left, one of you three will not be here four years from now," made a very peculiar feeling run up and down the spine. Fraternity Rushing began immediately following orientation and never before had we seen so many fine young men, and so many fine college organizations. At last, however, the gilt

FROSH HORROR

## WE WERE NEW, GREEN, UNTRIED...

began to disappear and college life in its true light began to shine forth. The upperclassmen were not as fine as they appeared during the early days, especially did they seem not so swell when one had a laundry bag or two over one's shoulder and the cry of "FRESHMAN . . . TAKE MY LAUNDRY" echoed over the campus. And yet in many ways the Freshman year is very close to us all. The first college football game; the "Wildcat Spirit"; the first college dance; the first visit home as a college student. Those were good days and proud days.

The Sophomore year may be compared with the "gangling teens." Emerging from the Freshman year into joys of being an upperclassman, we found our greatest joy in lording over the lowly Freshmen. Most of our time we spent over Sophomore Bible and English. The Kings of Israel and the Prophets; English Literature—Byron, Keats, and Shelley swept through our minds again and again. This was the year that was the stumbling block for many that "sat to your right and to your left."

AS *Sophs-Juniors* ... WORKING—DEALING

SOPH BIBL.

AND ENGLISH

AND NOW AS THE

*Senior Class*

JUNIOR ELECTIONS

AND yet, most of us went through the fiery furnace of education and came out purified, as Juniors, proud of the accomplishment of having two years of college work behind us. Now we were the elite. We could pick our own courses and sit on the porches of the Dormitories in cool disdain of the lower classes. The year started by our interest in the "Big Deals" that could be pulled. The fall saw football games, trips to the Southland—Agnes Scott, Converse, Winthrop; trips to the Northland—Hollins, Sweet Briar, Salem, and Randolph Macon. Life was but a song and a dance. Then came the 7th of December. Who can forget when and where he heard the news? Who can forget the speech of the President to Congress? The silence around the radio, the tense expressions as we looked into the future and saw it all too plain. At first a wave of insane action swept over us and then gradually the shock passed and we settled down to working for the Campus offices. Spring elections kept all those seeking an office in a stir. If a Junior spoke to everyone he was trying to get votes; if he didn't speak to everyone he was conceited over his position. At last the elections were over and we settled back to see whether we could run things as well as our predecessors.

# OF 1943...WE GRADUATE

SENIOR BULL SESSION

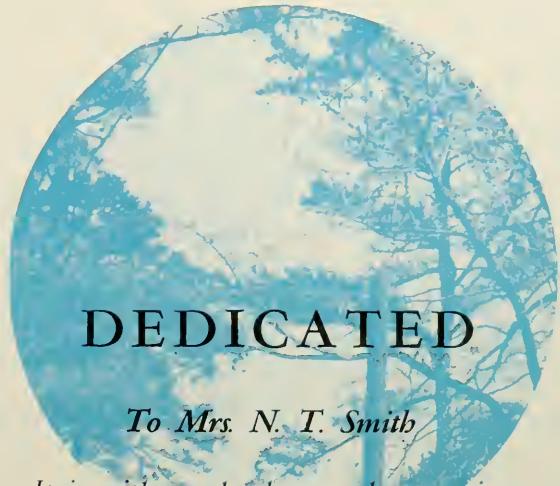

Then suddenly we were Seniors. The war had changed things for us. Many of our classmates went to Summer School to speed up their education to the tempo of the times. We tried hard to make this like any other Senior year, but it was impossible to shut out the headlines. The old idea of "dealing" lost its taste as we received news of old classmates "killed in action." The rumors of ERC being called out became a joke as time and time again it would revive only to be cleared up by a few sane words spoken by Dr. Cunningham in Chapel. Mid-term saw some of our classmates graduate to don the khaki instead of the sport coat, and at last the long awaited happened as the Air Corps and the ERC went out. As our friends left and the time approached for our departure, there came the feeling of a check-up on ourselves. For many it meant realization that four years had actually passed and we stood on the threshold of graduation. We all realized what we were going into. We were leaving the peace and quiet of Davidson for the hell that is war. We left with a fixed determination to do our part, and a prayer that after the war the "old" Davidson may be here staunch in her principles and her ideals.

MRS. N. T. SMITH

*Supervisor of Dormitories*

*It is with much pleasure that we sincerely dedicate this volume of QUIPS AND CRANKS to Mrs. Smith, who has proved herself to be a true friend and mother to every Davidson student . . . loved and admired by all.*

## AROUND THE CAMPUS

## Pep Meetings and ...

In front of Chambers at 8:00 P.M. supported by yells and cheers or maybe a shirt-tail for the freshmen Off goes the team for the big game. Some follow, some remain at home and anxiously await the score. Win or lose, the boys play hard and do their best for "Oh Davidson" Down to the bus station to welcome them back to the campus It was an upset victory for the fighting 'Cats. Really nice going.

FOOTBALL  
CAROLINA  
DAVIDSON

## ... The Dance Week-ends

Truly a favorite sport among Davidson students. Jitterbugs or the smooth dancers, all have the usual wonderful time but maybe there was that unexpected "flush" or she couldn't come up (or down) this time there's always the last resort. Then there were those so-called "locked" students who were with their true love once again . what a wonderful effect the ladies do have upon the "average" Davidson man just look!!!!

## Work ... Play and

In the afternoon it was twice around the obstacle course and that constituted the day's class in Physical Ed. Now down to the intramural or interfraternity game, and maybe a little shuffleboard or horseshoes to complete the afternoon no time for rest now but a big meal and over to the frat house for a game of bridge with a "bit" of studying between hands more study how quickly the day passed time for bed and the usual six hours sleep .

## ... Special Activities

There was Stunt Night, Red and Black Masquers stage productions, Concerts, Queens - Salem - Davidson - Air Corps Day, maybe O.D.K. tap day or what not. In the stunts first prize went to Georgia Dorm - all were good and full of laughs!!! Miss Helen Jepson viewed our R.O.T.C. unit during her visit to the campus. "The Man Who Came To Dinner" and "Arsenic and Old Lace" were very enjoyable and well presented. The Queens-Salem-Davidson-Air Corps event turned out to be a howling success and much fun was had by all special O.D.K. tap day provided surprises.

## Lively Traditions and...

Everlasting friendships began here on our campus. Rush Week was the beginning of a long list of acquaintances. Enjoyment at the "Y" Lounge during an Open Forum discussion or music listenings. "Y" Secretary often times entertained with his magic. When good friends get together there must be eats, so how about TWO (2) "cokes"? and there was the serious side in the weekly hall prayer meetings, influential and close to every Davidson man.

## The Very Important --- Military

The Army took over East and West Dormitories. In came the Air Cadets for training Advanced R. O. T. C. boys studied and drilled harder than ever to prepare themselves for Fort Benning in June. Others enlisted in Reserves in order to be able to finish school, and yet there were many who answered the call and failed to complete the school year. The Lieutenant and his excellent Rifle Team formed an essential part of the military training. Congratulations, Sharshooters!

With the authority invested in them by the Davidson Student Body Constitution, the Publications Board is empowered to "have complete supervision over the financial administration of the three student publications."

The Publications Board is composed of the three editors and business managers of *QUIPS AND CRANKS*, *Davidsonian*, and *Scripts 'n Pranks*, respectively, in addition to two faculty members appointed by the college administration.

At the beginning of the school year a report outlining the proposed budget for the coming year is presented to the Board for their inspection by the Business Manager of each publication.

| D. D. PHILLIPS  | <i>Asst. Business Manager</i> |

Here for your approval is the 1943 edition of QUIPS AND CRANKS, published by the staff in spite of difficulties of paper, binding, and labor. We hope you like it. We have done our best.

Herein we have tried to depict as accurately and as variedly as possible all the numerous activities of Davidson College, and of the Seniors in particular, since it is mainly for them and by them that the publication is brought out. This, in a way, is a history and a record of their senior year, by which they can recall the activities and the friends that will forever remain close to their hearts. We have pictured them at work and at play, in gay and serious moods. We have shown them on the athletic field and in the classroom, in their rooms and at the dances. In short, wherever a member of the Class of 1943 was found on the campus, the camera has followed him and preserved this living record for his enjoyment. We trust that through these pages, not only will he remember Davidson, but that Davidson will remember him.

HOBBIE, MURRAY AND JUNIOR ASSISTANTS.

YOUNG

ERWIN

Each Monday night the staff of the *Davidsonian* meets in its office in Elm Row to compose the copy of the week. The paper has become one of the most active forces of the campus, and is looked forward to each Thursday night when it is issued.

## For a Better Davidson

The purpose of the *Davidsonian* has been to give the students and faculty members a record of campus activities.

The paper has as its leaders an Editor, and a Business Manager. Each of these has under him six Juniors who accept most of the responsibility in carrying on the composition and distribution of the publication. Besides these men, there are twenty or thirty Freshmen and Sophomores who handle the reporting and actual distribution.

The paper has had a circulation of thirteen hundred copies a week; seven hundred fifty of which have been in Davidson, and five hundred fifty of which have been sent to many points away from the campus. The *Davidsonian* has been handicapped, somewhat, by the reduction of national advertising, and as a consequence has had to publish a four-page paper this year instead of the usual six-page paper that has been distributed in years past.

The paper carries news of sports, personal and student columns, movies, letters, editorials, fraternity activities, features and other interesting news items.

EVE

LYMAN

*Scripts 'n Pranks*, Davidson's humor magazine, is published four times a year in the months of October, December, March, and May. This student publication ranks with the best college humor magazines of the nation and has taken its place as a well-established tradition on the campus. The college magazine offers literary enthusiasts a number of different ways to express themselves. Although it is usually thought of and described as a humor magazine, this is really too narrow a classification. Aside from the humorous jokes and cartoons, there are short stories, drama, essays, poetry, art, and numerous features. These features include movie and book reviews, tips on newest recordings, hints about dress, reports of campus polls, and the latest sport items. Every issue contains a variety of items of interest to all its readers.

Bill Lyman, who possesses great talent of wit and humor, has served as editor of *Scripts 'n Pranks* for the past year. With the aid of Business Manager Joe Eve, he succeeded in producing four really excellent issues. Charles Brockmann, Tom Bumbarger, John

The Student Council, which was organized in 1910 to secure a more efficient enforcement of the Honor System and to eliminate all class friction, has become the most esteemed body on the campus. This group is composed of fourteen members, including the President, the first and second Vice-Presidents, and the Secretary-Treasurer of the Student Body, the Presidents of the three upper classes, and seven councilmen, four of whom are elected by the senior class, two by the junior class, and one by the sophomore class.

It is the duty of the entire Student Body, as well as the Student Council, to strive at all times to uphold and preserve the Honor

System and all other provisions of the Constitution in every department of college life. The aforementioned Honor System is strictly adhered to by the Council, and all violations of this code are tried by them.

The Council is also empowered with the task of supervising the Court of Control. Any matter of discipline of freshmen that, in the opinion of the Court, is serious enough to warrant suspension or dismissal from college is referred to the Council for its action.

In summation the Student Council is an organism instituted for the fostering of an idealistic Davidson.

The most outstanding organization on the campus for the purpose of religious and social work is the Young Men's Christian Association. It is well organized and its duties are innumerable. Every member of the Student Body is a member and all are urged to take part in its varied activities.

This year the "Y" has been under the very capable leadership of Jim McCrary and Shaw Smith, who have been very influential off the campus as well as on the campus with their Christian work and services.

There are thirteen separate departments to the organization, the heads of which form the "Y" Cabinet. Its function is to supervise the body of the "Y."

The "Y" Board of Control, composed of the "Y" president, the secretary, and other student members elected by the Student Body, is directly responsible for the policies of the "Y." Year by year the Y. M. C. A. continues to be the student's closest contact with active Christian service, and each year its activity becomes broader.

The Court of Control is made up of eight students: the Judge, the Recorder, and two representatives from each of the three upper classes. These individuals are appointed by the President of the Student Body after conference with the senior members of the Student Council.

The function of the Court is to maintain Freshman discipline, administering adequate punishment where necessary. It has the right to confine to the campus any Freshman found guilty of an offense not serious enough to warrant his suspension from college. This body is under the direct supervision of the Student Council, and any case considered serious enough is referred to it.

Maintaining Freshman discipline is not the sole purpose of the Court. It also functions as an advisory body, and its earnest desire is to help the Freshmen become oriented to their new college life.

The Forensic Council governs all of the debating activities of the college. This group is aided and advised by a faculty committee which is headed by Dr. Frontis Johnston. Jim McCrary acted as the president and Henry Crane served as vice-president for 1943. Ed Pickard performed the duties of debate manager.

In November Ed Pickard, Henry Crane, Haywood Brinegar, and Grayson Tucker participated in the Winthrop Forensic Tournament in Charlotte. Brinegar and Tucker placed third among the contestants, while the other team won four out of seven debates.

The members were divided into two groups for the spring debating trips. Jim McCrary, Henry Crane, and Priestly Conyers met Randolph-Macon, University of Virginia, University of Richmond, and William and Mary on the northern tour, while Howell Morrow and Ed Pickard debated Winthrop, Agnes-Scott, University of Georgia, and Emory on the southern trip. Grayson Tucker, Allan Bosch, and Haywood Brinegar were unable to take part in the spring debates because they were called into the service before the trips were made.

The Forensic Council also supervised a Freshman team made up of the following men: J. T. Fesperman, Newton Spencer, Lamar Williamson, and Bob Worth, with one alternate, Leighton McKeithan.

# SYMPHONIC BAND

PROF. JAMES CHRISTIAN PFOHL  
*Director of Music*

The Davidson Symphonic Band opened its season formally on the evening of Friday, November the twenty-seventh, with a concert in Chambers Auditorium. A special feature of this concert was the presentation of a trumpet trio composed of Craig Schmidt, George Bernhardt, and B. A. Nading who thrilled the audience with their rendition of Goldman's "Echo Waltz."

The band consists of seventy-five musicians under the direction of Professor Pfohl. Over twenty types of instruments are used to form this excellent musical organization which presented concerts on and off the campus during the year.

The repertoire of the band showed careful and exquisite selection on the part of the conductor and everywhere his programs received the highest praise. Soloists added much to the concerts indicating that there are many students here in Davidson who should some day find a prominent place in the musical world.

From the stage may come the strains of Wagner's "Tannhäuser" or the fascinating melodies of Gershwin's "Porgy and Bess," but whether it be classical or semi-classical music, Professor Pfohl and his musicians attain gratifying results.

Officers of the band for the year '42-'43 were President, Craig Schmidt, Vice-President Campbell Spratt, Manager, Ellis Kichliter, and Secretary, David Blevins.

# LITTLE SYMPHONY ORCHESTRA

## OFFICERS

|                       |                            |
|-----------------------|----------------------------|
| JAMES ELLIS KICHLITER | <i>President</i>           |
| MANLY C. SANDERS      | <i>Vice-President</i>      |
| ROBERT HOLLINGER      | <i>Secretary-Treasurer</i> |

Although the E. R. C. and other reserves, besides the army, have been threatening the size of the orchestra almost all this year, it has had a successful year. During the Christmas season the orchestra put on *The Messiah* with the help of the Queens-Davidson glee club and chorus. During the year it participated in a series of broadcasts over station WBT, *Music From Davidson*, along with the symphonic band and glee club. This year the orchestra has been honored by being chosen by the music clubs of North and South Carolina to represent them at the national convention in Indianapolis, Indiana, however because of the war will be unable to attend but will play its part of the program over a network broadcast early in May. The Little Symphony owes its success this year mostly to the director, Mr. Pfohl, who has given his unceasing aid in helping it to progress. This organization performed on many occasions in conjunction with the Queens College orchestra being known as the Queens-Davidson Little Symphony Orchestra.

ELLIS KICHLITER, *President*

## GLEE CLUB

Davidson College's Glee Club is one of the most important organizations on the campus. Composed of forty students, it furnishes music each Sunday evening for the College Vesper services. Two of the organization's most outstanding contributions to campus activities during the past year were the annual Christmas Vesper Program and the presentation of "The Messiah."

Mr. Earl Berg, a graduate of Concordia College, finished his second year as director of the Glee Club. He has had extensive training under many leading vocalists of the nation. His ability as a singer, and his talent and training as a conductor have brought the Davidson Glee Club to be recognized as one of the best trained male choruses in the South. Mr. Kenneth Osborne has assisted greatly in the achievements of the organization as its accompanist. The Quartet, which is a part of the Glee Club, is composed of Herb Dimmock, G. P. Whitley, Buddy Wells, and William Joyner.

MR. EARL BERG, *Director*

MR. KENNETH OSBORNE, *Accompanist*

## FOOTBALL BAND

This musical group, largest of the three band units, and one of the most popular and widely known organizations on the campus, has through its unusual and varied performances proved itself to be a very versatile group. The band was the first musical organization to swing into action this year and attracted much favorable comment with its intricate maneuvers.

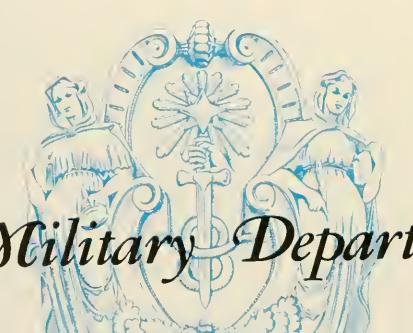

Hampered by travel conditions due to the war conditions, the band accompanied the team to only one out-of-town game this year. This was the Duke-Davidson game which was played in Winston-Salem. The band made its appearance at all home games which were played in Charlotte and proved a great help in keeping the spirit alive.

In its red and black military uniforms and led by its three white-clad drum majors, this organization made a thrilling and colorful appearance as it took to the field to support the team.

Professor Pfahl deserves the credit for the ease and perfection with which the band performed.

SCHMIDT, President  
PFOHL, Director

# SCABBARD

LEGERTON BEING TAPPED

PASSING IN REVIEW

To be elected a member of Scabbard and Blade, national honorary Military Fraternity, a student must have a thorough knowledge of military tactics along with a strong character, leadership and efficiency qualities. The fraternity was founded at the University of Wisconsin in 1904, and the Davidson Chapter, known as Company "B," was organized in 1923. Two tap days are held annually: one in the fall for Senior Officers, and one in the spring for rising Senior Officers.

# THE COACHES

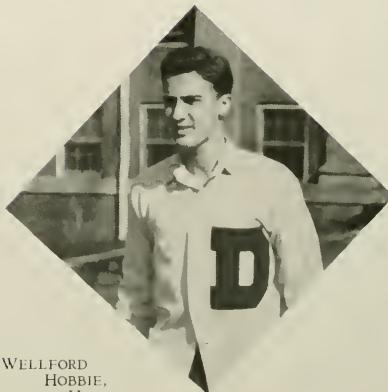

Coaches Gene McEver and Lawrence Spearman tutored the Wildcats this year without the services of line coach Chet Chapman, who enlisted in the Navy, and they have done a splendid job. Davidson is indeed fortunate in having these men as their football coaches. They have worked hard and in spite of all odds in favor of stronger opponents, have kept our team a fighting and spirited one, and it is surely because of their untiring efforts that the Wildcats have kept their name and fight.

Coach McEver and Coach Spearman, we, on behalf of the Student Body and the Team, take this opportunity to thank you not only for coaching our teams, but for being the men you are off the football field. We are proud of you.

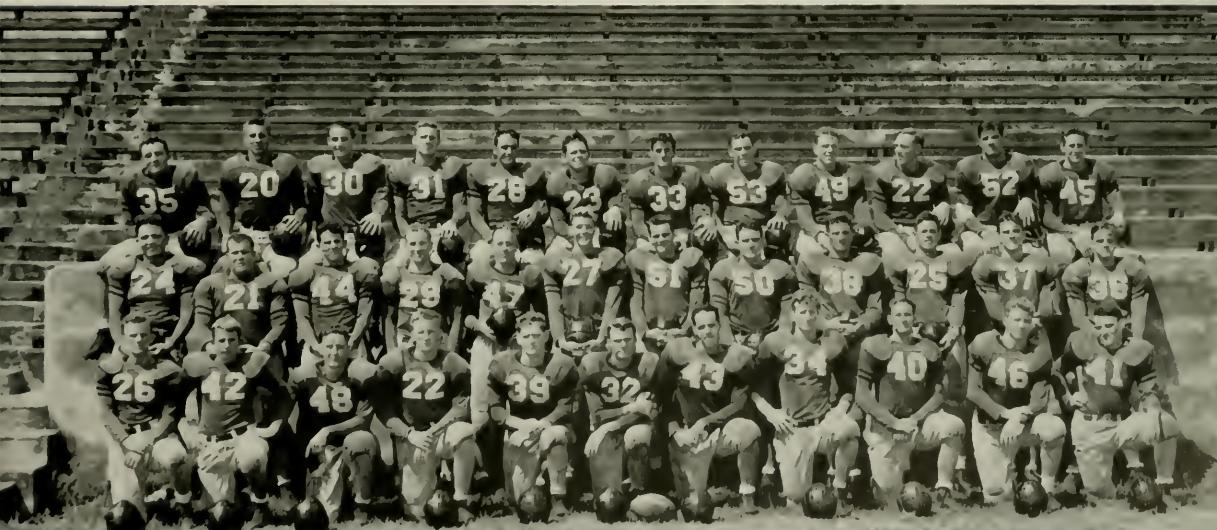

COACH MCEVER

COACH SPEARMAN

THE WILDCAT SQUAD

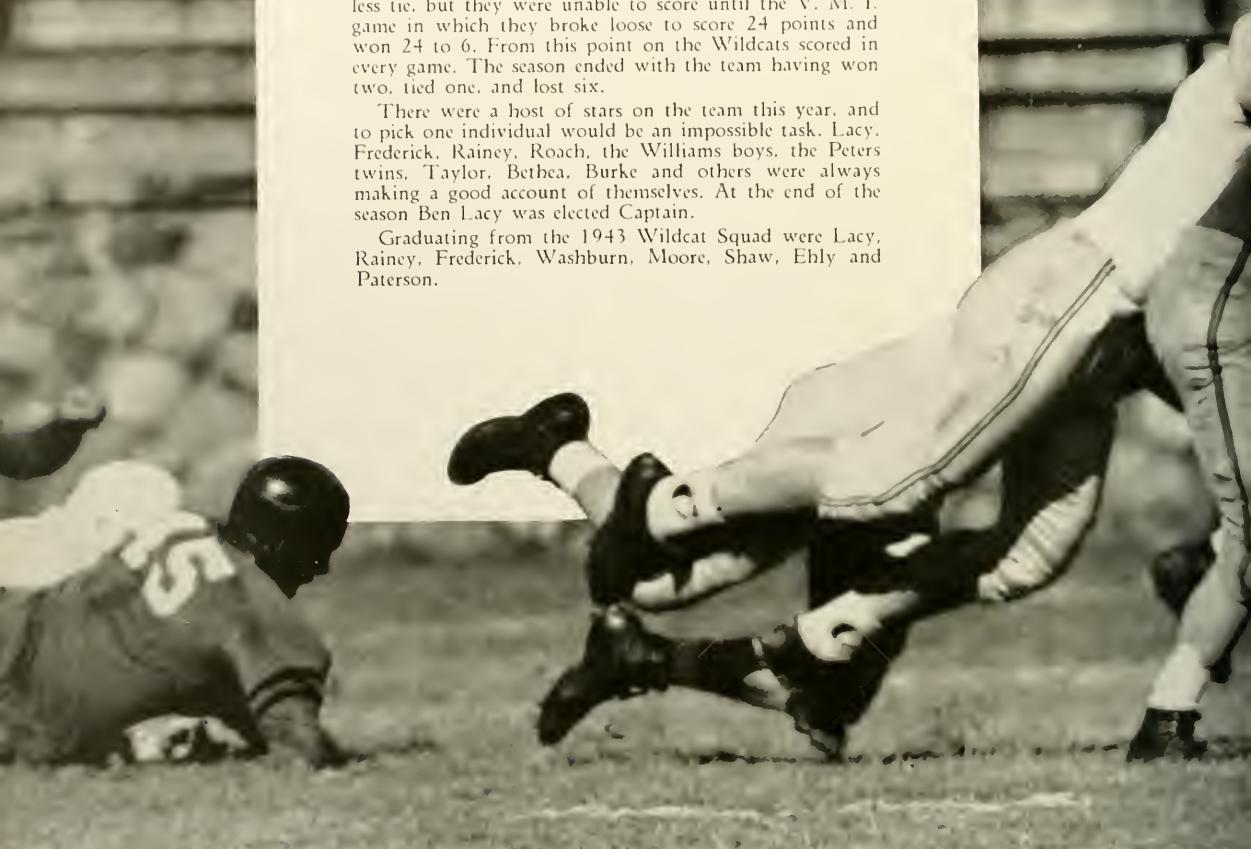

## THE WILDCATS OF 1943

This year's Wildcat team looked exceptionally fine in several games but not so good in others. Considering the handicap of much stronger opponents along with the ever present injury jinx, we think they have done mighty well. The Cats showed they had something in their first game with State at Wilmington, which ended in a scoreless tie, but they were unable to score until the V. M. I. game in which they broke loose to score 24 points and won 24 to 6. From this point on the Wildcats scored in every game. The season ended with the team having won two, tied one, and lost six.

There were a host of stars on the team this year, and to pick one individual would be an impossible task. Lacy, Frederick, Rainey, Roach, the Williams boys, the Peters twins, Taylor, Bethea, Burke and others were always making a good account of themselves. At the end of the season Ben Lacy was elected Captain.

Graduating from the 1943 Wildcat Squad were Lacy, Rainey, Frederick, Washburn, Moore, Shaw, Ebly and Paterson.

## FOOTBALL

DAVIDSON 0—N. C. STATE 0

The Wildcats and N. C. State, in the first Southern Conference game of the 1942 season, battled to a scoreless deadlock. The game was even all the way, neither team being able to penetrate the other's defenses.

Art Roach provided the biggest thrill of the game for the Wildcats when he intercepted a pass from Art Faircloth intended for Mike Andrews, on his own 26-yard line and scampered through the whole State team for 74 yards to cross the goal, only to have the ball brought back to the Cat 27-yard line where it was ruled that he stepped out of bounds.

*Roach's interception in State Game.*

State's biggest threat came in the fourth period when they marched to the Davidson 8-yard line, but the Wildcat forward wall braced and held for downs. Ben Washburn, Art Roach, and Johnny Frederick sparked several Davidson drives into State territory, but none were ever able to shake loose for a score, and the game ended scoreless.

DUKE 21—DAVIDSON 0

Fumbles twice helped Duke's Blue Devils, in their first game since the Rose Bowl last January 1, to triumph over the Cats in a game played in pouring rain.

The fighting Wildcats held the Blue Devils scoreless throughout the first period, but Duke managed to tally twice before the half was up. The first of these scores came when the slippery ball bounded out of Johnny Frederick's hands on the Cat 15-yard stripe, with the Blue Devils recovering and pushing over a lightning-like touchdown.

The second Blue Devil score came as the result of a spectacular 40-yard gallop by Moffat Storer, which carried to the Davidson eight, from which point the Devils' backs shoved it across. Duke's final score came shortly after the second half opened. Big Bob Gant converted all three extra points for the Blues.

Davidson's line played magnificent ball throughout the affair, staving off Duke touchdown thrusts deep in the shadow of their own goal line on three different occasions. Although the Cats made several mild threats, they were still unable to strike pay dirt.

ROLLINS 14—DAVIDSON 0

The hapless Cats continued scoreless for the third successive time, and were upset by the Rollins Pals, 14 to 0. Though they drove within the Rollins ten-yard line in each of the first three quarters, the

Rainey and Frederick bring down Myers in Carolina game.

DICK O'HAIR, End.

Wildcats were still unable to cross the goal line. Each time Rollins's alert defense stopped the attack before any damage could be done.

Davidson ran and passed its way down to the five-yard line shortly after the game began, but a Cat fumble was recovered by the Tars. Shortly after, however, the Wildcats were knocking at the door again, advancing to the 8-yard line, where a fourth down attempted field goal by Johnny Fredericks failed. In the third period, after a pass from George Peters to Scotty Patterson and a ten-yard gain by Lacy had carried to a first down on the one-yard line, the Rollins forward wall braced and threw the Cats back on four successive tries.

Davidson was threatening again in the third period when Quentin Bittle, Rollins back, intercepted one of Roach's passes on his own ten-yard line and galloped ninety yards for a score. The second Rollins score came in the final period as the result of a sustained 65-yard drive.

George Peters, Pat Williams, Ben Lacy, and Red Burke were outstanding in the defeat. Red Betheraw staw his first action of the season, but was only in the game for a few plays.

#### V. P. I. 16—DAVIDSON 0

A strong and snappy Virginia Tech team used every scoring device in the football book, except the point after touchdown in conquering the Wildcats.

The Cats failed to make a serious scoring attack, never advancing past their own forty-yard marker. This was the first game of the season in which the Davidson passing attack was stopped cold, but the Gobblers held them to zero yards through the air.

Virginia Tech rolled up their 16 points with a field goal in the first period, a safety in the second, another field goal in the third, and a touchdown coupled with another safety in the final quarter.

#### GEORGIA TECH 33—DAVIDSON 0

Though the Cats remained scoreless and were beaten soundly by Tech's famed Yellow Jackets, it was held by many that this was their best-played game of the season. The Wildcats, led by George

and Tommy Peters, fought their way down into Tech territory several times, but each time the powerful line that helped send the Yellow Jackets to the Cotton Bowl braced and held for downs.

Georgia Tech picked up two of its touchdowns on drives of 69 and 63 yards, one on a 65-yard sprint by Sophomore Eddie Prokop, one by means of a 31-yard pass from Sheldon to Marshall, and still another as the result of a 37-yard march.

Shortly after Tech scored its first touchdown, Red Burke recovered a fumble for Davidson on the forty-nine yard line, and from there the Cats advanced it to the Jacket 28 as the result of running and passing by Buck Williams and George Peters.

In the third period George Peters almost got away for a touchdown, but was pulled down from behind on the Tech 35-yard line after a sparkling run of 27 yards.

The Davidson backs did a fine job on bringing back kicks, gaining a total of 150 yards in that department. Practically the whole squad saw action, with everyone playing a bangup game.

#### Coach and Captain.

ART ROACH, Back.

#### DAVIDSON 24—V. M. I. 6

It was a great day for the Wildcats up in Lexington when they sent a highly favored V. M. I. team crashing in defeat. It was the first score of the season for the Cats when Johnny Frederick hurled a 35-yard aerial to Tommy Peters, who took it and stepped five yards across the goal. The point-starved Wildcats rolled on from there to score two more touchdowns and a field goal and pile up a big advantage in statistics.

The Cadets scored in the first period when Dick Deshazo tossed a pass 12 yards into the end zone, but V. M. I. was never again able to threaten seriously.

After scoring its first touchdown, Davidson carried the ball back to the Cadet 2-yard line in the same quarter, but there lost the ball.

Bill Dunn recovered a punt which Duke Deshazo fumbled in the end zone for the second touchdown shortly after the opening of the fourth quarter. Pat

Williams accounted for the other Wildcat touchdown by making a circus catch of Buck Williams's pass into the end zone.

In the final minutes Don Erb, substitute back, booted a field goal from the 8-yard line to make the rout complete.

#### CAROLINA 43—DAVIDSON 14

The Tar Heels from Carolina exhibited tremendous power in running and passing their way to a 43 to 14 triumph over Davidson to spoil the Wildcat's homecoming. The Cats' passing magic, though, gave the old grads and student body something to cheer about as it paved the way to two scores in the second half.

Davidson was put on the defensive at the start when Hugh Cox ran back the opening kickoff 59 yards to the Cat 28-yard line. Although the Wildcat line staved off this scoring threat, this run kept the Cats in the hole during the whole first quarter.

Shortly after the Tar Heels' first score, George Peters connected with a nice running pass to Pat Williams for a first down on Carolina's 35, but here the Davidson attack bogged down.

From this point the Tar Heels drove for their second score with Myers terminating the drive with a 20-yard dash. Carolina scored again just before the half ended when they took advantage of a Davidson fumble to score.

George Peters intercepted a Carolina pass on the Tar Heel twenty, and promptly shot two ten-yard heaves to Pat Williams for a score. Peters started the second touchdown drive with another interception in the last period. Taking the ball from their own 45, the Cats alternated passes to Bob Durant, Tommy Peters, and Dick O'Hair to score their second

*The lineup.*

Lacy moves in to make tackle.

Moore and Hunt on the chase.

MAC BRUCE, Back.

touchdown. Johnny Frederick booted both conversions squarely through the uprights.

#### DAVIDSON 21—W. & L. 13

The Wildcats chalked up their second win of the season by downing the Washington and Lee Generals in a game that was full of thrills for both sides.

The Cats scored their first touchdown just before the first period ended without having made a first down. Tommy Peters intercepted Harry Harner's pass on the Generals' seven, and on the first play Brother George went off the left side for the score.

The second Davidson score came in the third period on a 35-yard pass play from George to Tommy Peters. George Peters scored Davidson's first running touchdown of the season in the fourth quarter for the Cats' final score when he could not find a receiver and dashed seven yards for a score.

The two touchdowns engineered by Washington & Lee were spectacular, one being a lateral-forward pass play good for 46 yards and the other a 65-yard forward-lateral.

Red Bethea's punting was an important factor in the game and aided Davidson in keeping the upper hand all afternoon. Ben Lacy, Johnny Frederick, Dave Maloney, Art Roach, Pat Williams, Dick O'Hair, Herb Rainey, Sam Hay, and the rest of the Wildcat line turned in outstanding performances.

#### CITADEL 21—DAVIDSON 9

Citadel's Bulldogs avenged their previous year's beating by licking the Wildcats by a score of 21 to 9, in the final game for both teams.

Although the Cats had a near perfect average in pass completions, they were unable to push over more than one touchdown and equally unable to stop the Bulldogs' attack.

The Citadel scored first in the second quarter after a long drive to take a 7 to 0 lead. The Cats stopped the Bulldog scoring threat a little later, and from there started their touchdown drive. Washburn and Frederick plowed into Citadel territory, and then, with but ten seconds remaining in the first half, Washburn shot a short pass to Tommy Peters, who broke into the clear and galloped 44 yards for a touchdown. Frederick missed his first extra point of the year when his kick was blocked, and the Bulldogs had a 7 to 6 lead.

Soon after the second half opened a 50-yard drive by the Wildcats terminated with an 18-yard field goal by Johnny Frederick, and Davidson led 9 to 7.

Citadel was not to be denied, however, and drove quickly to another score, then adding another for good measure.

The Wildcats then began to pass desperately, but the game ended without another score.

## BASKETBALL

With three sophs breaking into the first-string line-up at the first of the season, Davidson's cagers turned out to be one of the leading teams in the South in establishing a record of seventeen wins against five losses.

Blond, ball-hawking Tommy Peters led the Cats to the third-seeded spot in the Conference Tournament at Raleigh, and it was the second time Davidson had ever earned a berth in this annual affair. His impressive 209 points in eleven conference encounters gave him top scoring honors over opponents who had participated in as many as eighteen games.

The Cats earned easy victories in four non-conference opening games, but were handed a close 60-50 setback in their first conference encounter by Duke's Blue Devils, who went through the season with only one loop defeat.

Davidson swept over their next three conference opponents, North Carolina State, South Carolina, and North Carolina, however, and morale reached an all-time high. The Wildcats were particularly impressive in the first half of the North Carolina game, snowing the highly touted White Phantoms under with an avalanche of baskets, and leading by a 32-9 margin.

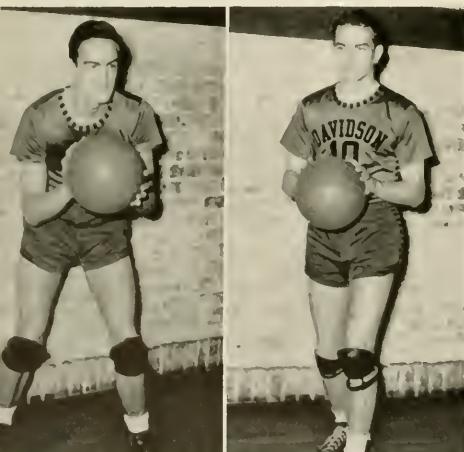

After winning impressively in ten of their first eleven games, the Cats seemed to lose some of their fire and dropped three straight loop games and one non-conference fray, being beaten by South Carolina, North Carolina, North Carolina State, and Catawba. Davidson then came down the home stretch with four more conference victories to insure themselves a spot in the tournament.

*Action against George Washington in Southern Conference Tournament.*

BASKETBALL TEAM

GEORGE PETERS

JACK WAYMAN

Dark-horse Davidson played by far the best two tournament games, and came close to getting in the finals. In the opener, the Cats overcame a fighting N. C. State quint, 33-30, but looked none too impressive in their victory. Against George Washington in the semi-finals, however, the Wildcats played their best game of the year. With the whole team playing superb ball, Davidson led the highly favored Colonials throughout the game. George Washington slowly whittled down a five-point lead in the last two minutes, and with but eight seconds left in the ball game, Jim Rausch dropped in a long one to tie the score at 38-38. Without the services of Tommy Peters, who had fouled out of the game in the last minute, the Cats were powerless in the overtime

JOHN BELK

TOM PETERS

JIM LOWRY

period, and were subdued 47-40. George Washington went on to thrash Duke in the finals, and were the new conference champions.

Tommy Peters brought additional honor to Davidson and to himself when he not only was selected the most popular player in the tournament, but was also a unanimous choice on the all-conference team.

Behind Tom Peters in the team's scoring came his brother George with 183 points, and in the third and fourth slots were Jim Lowry and Jack Byrd. Co-Captains Wayman and Belk played excellent ball all season, although the latter was out of the lineup with an injured ankle the latter part of the year. Frederick, Williams, Sutton, Currie, Hodgin, and White also played great ball all season. Unless something happens to right this topsy-turvy world, prospects will not be so good for next year's team.

#### BASKETBALL RESULTS

# A WORD OF PRAISE TO THESE . . .

# .... WILDCAT BASKETEERS OF 1943

*George Peters and Bill Lacy*  
Co-Captains of Track

COACH PETE WHITTLE AND MANAGER JOHN MCGEE

## TRACK

Judging by the outcome of the first track meet of the season, the Wildcat cindermen appear to be a strong and well-rounded aggregation. The Cats, under the able direction of Coach Whittle, swamped Catawba by a score of 83 to 43 in the season opener with the Lacy and the Peters brothers leading the scoring.

Several members of the team took part in the annual track meet at Chapel Hill, but, although they turned in commendable performances, were unable to place in any event. Among those making this trip were Dick Port, Dick Miller, Bill Lacy, and Ben Lacy.

The Cats are particularly strong in the hurdles and sprint events. Ben Lacy turned in a sparkling 9.9 in the 100-yard dash against Catawba, with Bill Lacy coming in second. George Peters, Dick Port, and Bill Lacy won all the

Pendleton broad jumps.

BILL LACY

*Ben Lacy at the start.*

*Nickels warms up.*

honors in the high and low hurdles, while Ben Washburn came through as usual in the 440.

George and Tommy Peters constitute a second brother combination on the track squad. George participates in the hurdles,

the pole vault, the high jump, and the broad jump, while Tommy takes part in the shot put and the high jump. These two, together with the Lacy brothers, are the most consistent scorers for the Cats.

Art Pendleton has been jumping exceptionally well in the broad jump during practice, and he is expected to gather in quite a few points in this event. Lennox Turnbull and Johnny Frederick hurl the discus, while Brown, White, Grimsley, and Nickels are the distance runners.

The Cats were hurt by the loss of Dick Miller to the armed forces early in the season, but, as this is the only such loss expected, the track team is still believed to be one of the strongest in the past few years.

In the Southern Conference Tournament the Cats showed up well with the two Lacy's, Port and Gumsley getting points.

The Cats went through the remainder of the season undefeated for the only undefeated team of the year—Congratulations!

TOM PETERS

Hurdler Dick Port.

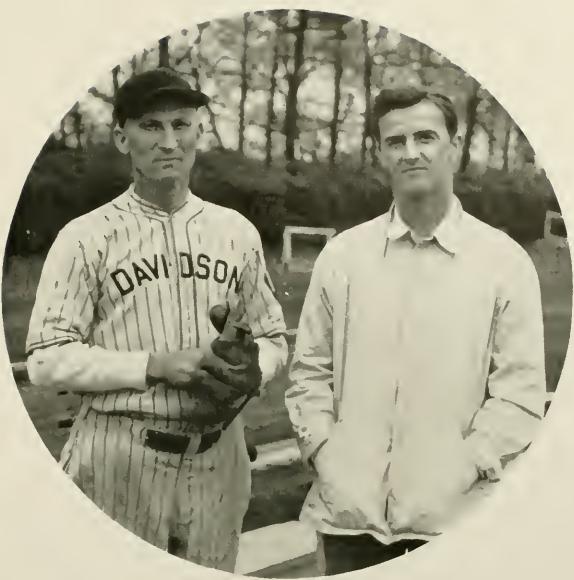

Ben Lucy wins the 100 yd. dash.

*Captain of Baseball*

COACH SHEPARD

MANAGER "SPIKE" MEBANE

# BASEBALL

## BASEBALL

The baseball nine thus far has had a tough run of it. In their opening games the 'Cats seemed sluggish and the visitors walked off with victories. The only games thus far have been with Clemson and Catawba and both were twice victorious over the 'Cat baseballers.

Lettermen were few at the start of the season and Coach Shepard had his hands full in developing a well-rounded team. Dave Maloney, Dickie Phillips and Elmer Graves were the only holdovers from last year's team. Maloney, formerly a third baseman, was moved to first base. Graves, formerly a second sacker, was moved to the outfield, and Captain Dick Phillips remained at his old posi-

tion at second base. To round out the infield are sophomore Jack Loughridge at third base, and freshman Blanton Belk at shortstop. The other outfielders are Tom Peters, soph. Mac Bruce, junior, John Frederick, senior, and Duncan McGooghan, a freshman. The twirlers

are few and far between. Paul Neisler seems to be the only experienced moundsman and has shown up well in the games thus far. Jim Lowry, soph., Dick O'Hair, junior, and Ed Major, junior, round out the pitching staff. Bill Grosse and George Floyd have been sharing the catcher's duties, with Grosse doing most of the work. Among the outstanding reserves are Ed White and Walt Major.

Hitting hasn't been quite up to par in the opening games, taking into consideration the team as a whole. However, in Maloney and T. Peters, Coach Shepard has two real sluggers. These two hold down the number three and four spots in the lineup. Grosse and W. Major have also been hitting well. With a little more practice the 'Cats should prove themselves to be a good ball club. Remaining games are with N. C. State; N. C. Pre-Flight; Furman; Clemson; Duke and Catawba.

# HONOR ATHLETES OF DAVIDSON 1942-43

The following Athletes have been chosen as Honor Athletes at Davidson for the school year of 1942-43. These men were selected by the coaches of Davidson after careful consideration.

TOMMY PETERS—Sophomore four letterman; Football, Basketball, Baseball, and Track. A star in all but most outstanding in Basketball—leader of Southern Conference scorers, member of all-tournament first team, and most popular player in the tournament.

GEORGE PETERS—Tommy's twin and three sports letterman in Football, Basketball and Track, and a star in each sport. Specialty is Track in which he participates in the high hurdles, pole vault and high jump. Co-Captain of the 1943 team.

JOHNNY FREDERICK—Football and Basketball star for three years. Also a letterman in Baseball two years.

BEN LACY—Captain of Football and very consistent winner in the 100 and 220 yd. dashes of Track.

BILL LACY—Co-Captain of the 1943 Track team. A star and high scorer in the 100 yd. dash, low hurdles, high jump, and broad jump.

PAT WILLIAMS—Three sport man who has steadily performed in Football, Basketball, and Track for the past three years.

## MINOR SPORTS

FRANK MEBANE  
*Captain of Golf*

PRESTON OLIVER  
*Captain of Soccer*

## WRESTLING

Although Davidson had a strong mat team this year, this sport had to be discontinued due to transportation and other difficulties before the grapplers had a chance to prove their worth.

The Cats had three wrestlers, R. L. Brinson, Wilbo Carter, and Clyde Stroup, return from last year's fine team. Brinson and Carter, who wrestled in the 145 and 175 pound class, were co-captains of the 1943 matmen.

John McGee, a senior, Dick O'Hair, a junior, three sophomores, Ben Williamson, Raphael Conrad, and Bob Durant, and a freshman, Dick Parrish, rounded out the team.

The grapplers had North Carolina State, Duke, Carolina, V. M. I., and V. P. I. on their schedule before the sport was discontinued. Members of the team were Stroup, 121; Williamson, 128; McGee, 135; Brinson, 145; Parrish, 155; Conrad, 165; Carter, 175; and Durant, heavyweight.

It is hard to say in other sports as well as this one just what the future holds at Davidson. There is only a slight chance that the sport will be renewed at Davidson until after the war, nevertheless we strongly feel that the team this year was a good one, and we are only sorry that it didn't get the chance to prove it.

Action shot of Co-Captain Wilbo Carter

# TENNIS

BYRD

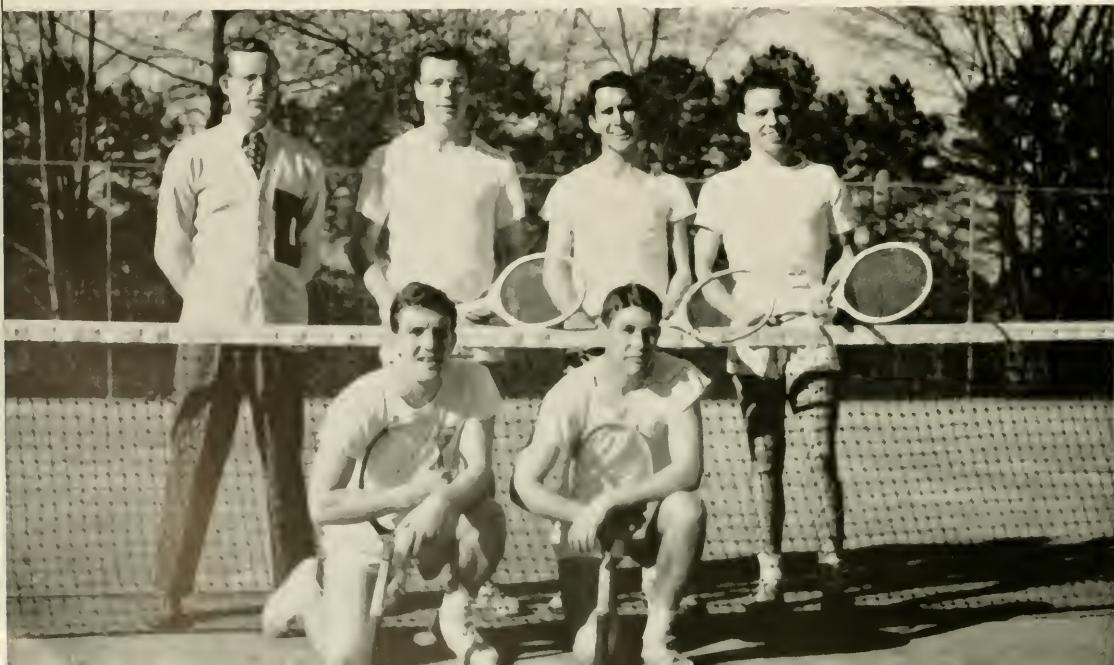

ROBINSON

SCHMIDT

ARCHER      SUTTON

*Manager PARRIGIN, SCHMIDT, SUTTON, BYRD. Kneeling are ARCHER, ROBINSON.*

In the fall, prospects looked bright for the best Davidson tennis team in three years. Five members of last year's team and some promising sophomores and freshmen were available for action in the toughest schedule ever carded for a Wildcat net team. Then in October Coach Corwin Gelwick joined the Navy. Early in the spring Mac Bruce was incapacitated by a knee operation, and freshman Burke Ingram was called to the Army. After playing in three matches, co-captain Buck Archer also answered the call of Uncle Sam, and now the outlook has been completely reversed.

The Wildcats opened their season by dropping hard fought engagements to the Duke and Carolina netment by 4-3. Presbyterian's famed Blue Hose continued their undefeated record by walloping the Cats 7-0 in the only other match played to date. The remaining schedule is:

Presbyterian College at Davidson.

Duke at Durham.

Carolina at Chapel Hill.

The Citadel at Davidson.

Georgia Tech at Davidson (Tentative).

University of Richmond at Richmond.

William and Mary at Williamsburg.

The team has been composed of Co-Captains Eugene Sutton and Buck Archer, Craig Schmidt, all veterans, and sophomores Jackie Byrd and Jerrold Robinson.

# GOLF

Two freshmen and a sophomore earned positions on the golf team during the qualifying rounds, which were played at the Myers Park Club in Charlotte. Although the team has played no matches to date, the '43 linksmen are considered a strong team despite their inexperience.

The team was weakened early in the season when Captain Frank Mebane, who qualified in the number three slot, was called by the army. His position is to be filled by Ed Ashby, a freshman, who has looked impressive in practice rounds.

The Wildcat golfers were unable to take their annual southern tour this spring due to transportation difficulties, but they plan to enter the North-South Amateur tournament in Pinehurst. After that they have scheduled two matches with Georgia Tech.

Members of the team are Tom Bumbarger, Ed Fowler, Frank Mebane, Philip Whittier, Ed Ashby, and Bob Gaither.

BUMBARGER

FOWLER

ASHBY

MEBANE

WHITTIER

WHITTIER, BUMBARGER, MEBANE, FOWLER, ASHY.

# SOCCER

HOLLAND

COONRAD

SWINK, OLIVER, McMULLEN.

With only two lettermen returning, the inexperienced Davidson soccer team managed to win but one game while losing four during the 1942 season. The Wildcats opened the season with a 6-2 loss at the hands of a fine High Point College team, but followed up with a 4-2 victory over the High Point Y. M. C. A. On the trip into Virginia, Davidson was beaten decisively by a strong University of Virginia squad, 5-1. In their second encounter, however, the Cats held the Cavaliers to a 2-1 margin. In the final game of the season, the Wildcats were held scoreless for the first time in being defeated by the North Carolina Pre-Flight School, 3-0.

The whole squad played good ball the entire season. Captain Preston Oliver, Rhea Preston, and Raphael Coonrad were especially consistent. Abernathy always turned in a commendable performance as goalie. The prospects for next year's team are uncertain, but it is hoped that any vacancies can be filled with freshmen.

# FRESHMAN FOOTBALL

The Wildkitten footballers of this year were as fighting a team as has presented itself at Davidson in some years. Although material was plentiful, there was need for experienced reserves and this proved the difference in a couple of the frosh's games, of which they won two and lost three.

Big Gwyn Fletcher featured the Kittens ground and air attack doing most of the passing and ball carrying. Other backfield stars were Jack Burke, Sam Patton, and Rolo Paylor. One good line was all the Kittens could put on the field at one time. Among its leaders were Grover Ingram and Larry Stafford, ends, and stocky and hard-charging Johnny Walker, guard.

Scores for the season were:

|          |        |                   |       |    |
|----------|--------|-------------------|-------|----|

Kittens against South Carolina.

McArn and Paylor in Action.

*Intramural action.*

## INTRAMURAL ATHLETICS

Competition was very stiff in the class race this year and at this writing the champion is not known. The Sophomore Class has shown a good deal of talent in football and basketball, and has been the winner in both. Jackson, Yarborough, Wills, Gwyn, French, and Lowry were among their outstanding performers. Following closely behind the Sophs in these two sports were the Seniors whose leaders were Walker, Hobbie, Erwin, Sutton, Schmidt, and others. Class sports managers were Burk Walker for the Seniors; "Tyrone" Gaither for the Juniors; Jim Jackson for the Sophomores; and Jimmy Fulcher for the Freshmen.

*Sigma Alpha Epsilon—Football.*

*Phi Delta Theta—Basketball.*

## FOOTBALL

### SIGMA ALPHA EPSILON

For the second successive year the S. A. E.'s went through the current touch football season undefeated and thus won the interfraternity football championship for their second straight time. A win over the Betas in the last game gave the championship to Sigma Alpha Epsilon. Speedy C. Wills and "Hips" Graves were the passers, while Hodgin and Little did most of the receiving. Gwyn, Young and Erwin led the line play.

## BASKETBALL

### BETA THETA PI, PHI DELTA THETA, AND

### SIGMA ALPHA EPSILON

Interfraternity basketball this year ended in a three-way tie between the Betas, Phi Delt's, and the S. A. E.'s, each team winning five out of their seven games. The S. A. E.'s took an upset victory from the Betas in the team's last game, thus bringing about the tie. Leaders were Walker, Caterson, and Schmidt for the Betas; Hobbie, Pierce and Maloney for the Phi Delt's; Gwyn, Wills and Powell for the S. A. E.'s.

## TRACK

### KAPPA ALPHA

By virtue of a win in the relay event the Kappa Alpha Frat walked off with the interfraternity track meet. In this event Richeson, Whitehurst, Scofield, and Washburn edged out the Kappa Sigma relay team and thus took the meet. Other leaders for the K. A.'s were Durant and Monroe, Belk and Stimson.

## VOLLEYBALL AND SOFTBALL

At the time of this writing these two interfraternity sports have not been played. There seems to be considerable competition in both and the outcome is unpredictable.

## LOUNGING AT BETA THETA PI

The three stars of Beta Theta Pi shone first at Miami University in 1839. Phi chapter was founded on this campus in 1858, as the first national fraternity at Davidson. Dying out at the War between the States, the chapter was re-established as Phi Alpha when the Mystic Seven fraternity merged with Beta Theta Pi. In ninety chapters spread across the nation, the followers of Wooglin seek the ideals symbolized by the dragon on a pink and blue Beta flag.

## EVERYONE HERE'S A PIKA

Immediately after the Civil War, in 1867, six young men gathered together at the University of Virginia and founded Pi Kappa Alpha. Since that time the bearers of the Shield and Diamond have gotten together, with their colors of garnet and old gold and their flower, the lily-of-the-valley, enough members to make up a national roll of eighty-one chapters with a total membership of almost thirty thousand. Beta chapter at Davidson was founded in 1869 and has remained strong and active since that time.

# VISITING THE KAPPA ALPHA ORDER

The Kappa Alpha Order looks back with pride to its founding at Washington College, Lexington, Virginia, during the war-torn days of 1865. Under the inspiration of Robert E. Lee, then president of the college, and the chivalric ideals of the old South, the founders took as a basic principle a motto pledging loyalty only to God and the ladies. Fifteen years after the founding of the national order, Sigma Chapter made its appearance at Davidson; today it is one of 67 strong active chapters dotting the South from Coast to Coast. As a symbol of their chivalric ideals and deference to womanhood, the Kappa Alphas have chosen the red rose and the truly Southern Magnolia.

## FOR A CALL ON THE S. A. E.'S

The Sigma Alpha Epsilon fraternity was founded at the University of Alabama, in the old city of Tuscaloosa. Eight students who had become hard and fast friends met in the late hours of a stormy night on March 9, 1856 at the Mansion House, and by the flicker of dripping candles organized this society, which spread to Davidson in 1883. They adopted as their badge the mighty symbol of Minerva and the lion, and to this day all loyal S. A. E.'s, from a total of 111 chapters spread out over the nation, are followers of the lion, devotees of an entertaining social life, lovers of Minerva, and true to their colors of purple and gold.

## A BIG BUNCH OF K. SIGS.

Originated in Italy in the 1400's, Kappa Sigma got its start in this country at the University of Virginia in 1869. Delta was founded at Davidson in 1890, more than a half century ago, and was among the first of the 110 active chapters in the country today. Displaying the colors of scarlet, green and white, their favorite flower is the lily-of-the-valley.

## A SESSION WITH THE PI KAPS

It was in 1904 at the College of Charleston that three friends decided to band themselves together in fraternal brotherhood. So was founded Pi Kappa Phi. Eight years later the secrets of the fraternity were brought to Davidson, and the new men were taught to love the red rose and colors of white and gold surrounding the symbolic star and lamp. Since its birth the fraternity has spread to thirty-three other chapters in colleges over the country.

## THRU THE PHI GAMM HOUSE

In 1914 eight men banded together to form the Bachelor's Club, which in 1923 joined a national hook-up by becoming Delta Kappa chapter of Phi Gamma Delta. These Fijis are a singing brotherhood, and like best to croon to the tune of "Fiji Honeymoon," "Smoke Dreams," and "Fiji Rag." They burn incense before a "great white star" that shines forth from a black diamond background. Founded in 1848 at Washington and Jefferson, Phi Gamma Delta now has 74 chapters in this country and Canada that compose their cannibalian clan. From over their crest a snowy white owl guides them through their purple and white college days, and in the spring purple clematis bloom around their house.

## FUN AT THE PHI DELT HOUSE

This band of faithful Phi's first got together in 1848, and since 1928 the local chapter has been one of 108 in the country. All have pledged themselves to follow the white carnation and their colors, blue and white, and to seek protection behind the jewelled shield and sword beneath a knight's helmet. The local Chapter has been one of the most active on the campus since its founding.

# WITH A GANG OF SPE'S

The youngest of the Greeks on the Davidson campus, the fraternity was established nationally after the turn of the century. It has grown to a membership of 72 chapters each of which usually has violets and American beauty roses growing in the chapter house yard. The chapter is justly proud of the Harper cup which represents the highest scholarship for ten consecutive years among the fraternities at Davidson. Honors of 1942-43 include three out of four class presidents and the presidents of the two literary societies.

# PHI BETA KAPPA

Founded at William and Mary in 1776, Phi Beta Kappa is today recognized as America's outstanding honorary scholastic fraternity. It has upheld the high standards for which it stands through the years. Its members are chosen twice each year from the members of the Senior Class. Invitations are issued to only twelve and one-half per cent of the class. Recognition by this fraternity signifies that a man has attained a high degree of success in his college work. It is also an honor in itself for a college to have a chapter of such an organization as Phi Beta Kappa.

# OMICRON DELTA KAPPA

Omicron Delta Kappa, national honorary fraternity, is represented at Davidson by Delta Circle. Its members are chosen in the fall and in the spring in an impressive ceremony. This fraternity bids men who through their campus life and work show the qualities of leadership. Enhancing progressive action is the purpose of O.D. K. This organization is also prominent in dealing with student problems that arise from time to time during the campus life. A great deal of its effort and time is spent striving for a better Davidson.
